IDET

PYROS

ISET

Exhibitors at IDET, PYROS and ISET trade fairs have the opportunity to advertise on a large LED video wall located in a high-traffic area of the exhibition grounds with visibility spanning tens of meters.

This innovation, which has been repeatedly introduced at selected trade fairs in recent years, has proven to be highly sought-after as an additional effective way, how to promote outside the exhibition area.

On a space of several square metres, you can present your product through high-quality visuals and sound, while also inviting visitors to your stand.

Extraordinarily advantageous price!

If you book your advertisement for the entire duration of the event, we will broadcast it **at least 100 times a day!**

At least 100 times a day, visitors to the Exhibition Centre will see your 20-second video spot or your **10-second video spot at least 200 times a day.**

Price: 6,490 CZK/day.

- Another excellent method of presentation
- Top-quality technology
- LED video wall dimensions: 5 m x 3 m (w/h)
- Advantageous price-to-performance ratio
